

Jenna Ivey

El Paso, TX

“Her sound...is carried by heartfelt lyrics, a sincere ukulele, and a voice that stays with you.” - The Bandera Songwriters Festival

Winner of the **Alchemist Award** from the *Bandera Songwriters Festival* 2025, Jenna Ivey is an El Paso based performer known for catchy melodies, sincere lyrics, and dramatic vocals. With Anna Maria Rosales on electric bass and haunting harmony vocals, Jenna's dynamic sound is a blend of alternative-folk, indie-pop, and lazy jazz.

With her unique West Texas desert upbringing, Jenna cultivated an appreciation for the beauty that surrounds us and the way music can capture something of the spiritual in the human experience. She toured across the region with folk-rock family band **The Iveys** as a writer, singer, and composer, and now plays her original music under her own name Jenna Ivey, playing nationally and being a featured songwriter in the **Corpus Christi Songwriters Festival** of 2024 and the **Cape May Songwriters Festival** of 2026. In her music, she tries to remind people to wonder at the little things amidst all the big and scary things.
